THE TWO COLLAGE IMAGES I MADE FOR THIS POST:

<https://yourmarketingbff.com/wp-content/uploads/2018/02/Home-Decor-Craft-and-DIY-Blog-Tour-1.jpg>

<https://yourmarketingbff.com/wp-content/uploads/2018/02/Home-Decor-Craft-and-DIY-Blog-Tour-2.jpg>

THE BREAKDOWN OF THE CODE:

a href="http://www.craftberrybush.com/2018/02/3d-canvas-art-diy.html" ← this is the link to Craftberry Bush's actual blog post for this blog hop

rel="noopener">Craftberry Bush ← this is the name that the reader visually sees. And in this example it's Craftberry Bush.
